2025 YMCA of the USA National Competitive Sports Events Financial Assistance

GUIDELINES

Overview

A limited number of financial assistance awards (up to \$600) are available to eligible youth athletes participating in YMCA National Competitive Sports Events to be used **ONLY** to cover transportation and lodging expenses for the sports event.

Background

YMCA of the USA (Y-USA) recognizes the commitment an athlete makes to training and competing in swimming and gymnastics competitions. We realize the financial strain these competitions can have on families. Y-USA hopes to alleviate some of the financial pressures associated with participation by making financial assistance available to local YMCAs to help offset an athlete's **transportation and lodging expenses** to a YMCA National competition event.

Travel and lodging financial assistance **shall not exceed \$600.00 per applicant. The funds will be distributed from Y-USA directly to the local YMCA** with a notification to the Athlete's YMCA coach approximately 6 weeks after the YMCA National competition.

Eligibility Requirements

- The applicant/athlete's application must be submitted by their YMCA Head Coach
- The local YMCA submitting the application must be in compliance with "The Rules that Govern YMCA Competitive Sports" and must be a chartered YMCA branch or association located in the United States.
- The applicant/athlete must have qualified, registered for and competed in the applicable YMCA National Competition.
- **The applicant/athlete or their family must be receiving assistance under their local YMCA's official Financial Assistance Program.**
- **The applicant/athlete's parent/guardian must consent to the application being submitted. Coaches will be required to submit a signed parental consent form within the application.**
